RE: 2nd Year Visual Art Trip, Lough Boora, Tullamore, Co. Offaly

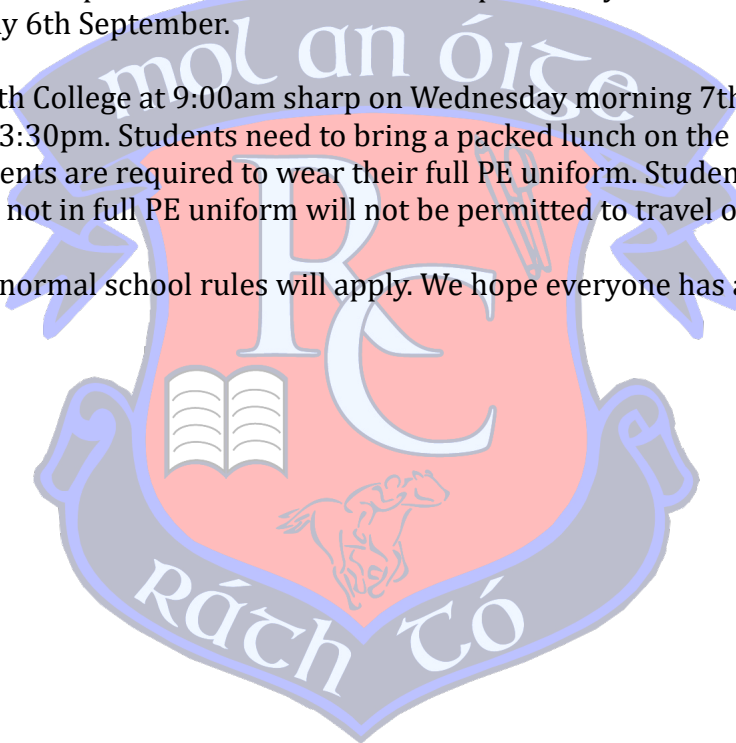

As part of the Junior Cycle Visual Art course, we are taking students to Lough Boora Discovery Park. The trip will take place Wednesday 7th September. Students will have a guided tour of Lough Boora Sculpture Park. Students will be given time to draw and capture sculptures, flora and wildlife in the park.

The cost of the trip will be €3 per student. The fee must be paid and your consent for the trip indicated before Tuesday 6th September.

Buses will depart Ratoath College at 9:00am sharp on Wednesday morning 7th of September. Students will return to school by 3:30pm. Students need to bring a packed lunch on the day, a sketchbook and drawing materials. Students are required to wear their full PE uniform. Students who arrive at school for the trip and who are not in full PE uniform will not be permitted to travel on the trip.

As with all school trips, normal school rules will apply. We hope everyone has an enjoyable and educational trip.

Yours faithfully,
Sarah O'Neill
Art Teacher
